

BEAUTY COMES CLEAN

SHARE #BETTERBEAUTY. HOST A POP-UP.

A Beautycounter Pop-Up is more than a party. As a Host, you have the opportunity to share safer makeup and skin care with your friends and loved ones. To thank you for spreading our mission of getting safer products into the hands of everyone, we're giving out gifts.

As soon as your Pop-up brings in at least two orders totaling \$250 or more, Hosts are eligible to order one full-size product at half off. As the qualifying sales increase, the gifts become free.
